

Education

Professional Certificate- Harvard University, Cambridge, MA	2013
Management Development Program - Higher Education Administration Graduate School of Education	
Georgia Institute of Technology, Atlanta, GA	2002
Master of Architecture (MArch)	
▪ Thesis: "Mixed-Use Building Design for a Private & Public Venture"	
▪ Awards: SGF Master's Studio Competition Finalist	
Yale University, New Haven, CT	1996
Bachelor of Arts, Concentration in Architecture	

Administrative Experience

Provost/Vice Chancellor for Academic Affairs **November 7, 2021 - Present**
University of Wisconsin-Stout **August 19, 2019 - November 6, 2021 (Interim)**

- *Serve as Chief Academic Officer, providing academic strategic planning and vision.*
 - *Coordinated creation of the first Academic Affairs divisional action plan in 2020 in consultation with Provost's Council and Academic Affairs unit leaders. The plan incorporates each divisional unit's action plan and aligns our work with the university's FOCUS goals.*
- *Supervise, collaborate with and mentor the following Academic Affairs unit leaders:*
 - *Dean of the College of Arts, Communication, Humanities and Social Science (CACHSS)*
 - *Dean of the College of Education, Hospitality, Health and Human Sciences (CEHHHS)*
 - *Dean of the College of Science, Technology, Engineering, Mathematics and Management (CSTEMM)]*
 - *Associate Vice Chancellor for Curriculum Quality*
 - *Interim Associate Vice Chancellor for Partner and Student Engagement as of July 1, 2021*
 - *Career Services Office Director*
 - *General Education Director*
 - *Graduate School and Stout Online Director (2019-2021), Interim Graduate School Director as of July 1, 2021.*
 - *Honor's College Director*
 - *Office of International Education Director*
 - *Office of Research and Sponsored Programs Director as of July 27, 2021*
 - *Provost's Office Budget Manager*
 - *Sustainability Liaison (2019-2020)*
- *Lead the Academic Affairs division through Pandemic Planning and Recovery*
 - *Coordinated transitions for the campus pivot to fully remote delivery during the middle of the spring 2020 term. Work included identifying professional development needs for instructional staff and faculty, assembling temporary grading policy adjustments (i.e., CR/NC, attendance, probationary status exceptions, etc.) and providing information to shared governance committees for their review and recommendation. Attended daily Pandemic Planning meetings as the divisional representative and communicated updates to the division leads.*
 - *Co-hosted 16 virtual open forums for various stakeholders (campus employees, students, and student families) during the spring and summer 2020, with the chancellor and Recovery team members. Collected questions in advance of each forum and provided answers via each forum or subsequent web update Q&A document.*

- *During summer 2020, met weekly with department chairs, program directors, associate deans, and college deans, to foster a successful kick-off to the 2020-21 academic year. Work included addressing questions, coordinating and facilitating the first enrollment scheduling summit for all academic departments and colleges to meet institution-wide goal of maintaining 50% in-person courses while fostering personal safety; identifying ad-hoc teams to determine socially distanced seating capacities by room, classroom seating charts, cleaning and disinfecting protocols, instructional training modules (via the Teaching and Learning Hub) and syllabi language recommendations to foster student success; and coordinating outreach campaign to nonregistered students.*
- *Responded to faculty, staff and student inquiries directly received and/or forwarded from the covid19update@uwstout.edu email account.*
- *Created and maintain a repository of faculty and instructional staff resources via the Provost's Intranet Site. The site serves as a one-stop portal for information from various units including the Nakatani Teaching and Learning Center, Learning Information Technology, the University Library and Stout Online.*
- *Maintained leadership through unanticipated personnel transitions within key positions in Academic Affairs. These included Stout Online and the Graduate School, and college leadership positions within CACHSS, CEHHHS and CSTEMM.*
- *Manage and monitor academic budgets and resources totaling nearly \$47 million. Includes approximately 66% of the institution's GPR (102) funds*
 - *During the 2020-21 academic year, coordinated an 8+% reduction in GPR across the division, to help meet the structural deficit via an inclusive and transparent process. This included incorporation of recommendations by the Faculty Senate Finance Committee and changes to the administrative procedures for workload.*
 - *Worked with the Customized Instruction (CI) Assessment Review Ad-hoc Committee to implement changes that will help support strategic reinvestments for the campus, starting FY22.*
 - *Working closely on increasing budget literacy within the division via partnership with the Faculty Senate Finance Committee and longer-term solutions for sustainable workload metrics.*
- *Fundraise and promote UW-Stout to external stakeholders*
 - *Championed the creation of the Learning Environments Fund with the Stout University Foundation, which works to build resources for the \$1 million plus annual needs for laboratory and classroom modernizations*
 - *Championed securing multi-year funding from the Stout University Foundation Board to support the zero-credit Performing Arts Courses tuition subsidy (\$20,000 per year)*
 - *Continue to allocate and increase support from the Chancellor's Teaching Excellence and Student Success fund for professional development opportunities via the Office of Research and Sponsored Programs (ORSP) (\$50,000) and in support of campus equity, diversity and inclusion (EDI) efforts coordinated via the Inclusive Excellence Action Plan (\$13,500)*
 - *Championed securing seed funding from the Stout University Foundation to develop dual-credit programming (amount TBD)*
 - *Continue to advocate and work to increase Faculty Start-up Funds via diversified funding sources (currently \$30,000 allocated)*
 - *Applied and successfully received UWS support, as one of only five campuses, for the UWS Pathways Initiative (\$200,000). Under my leadership, we are the only campus that has partnered with two other UWS comprehensive institutions (Stevens Point and River Falls) on*

- the initiative to embed a Career Coach in regional high school and Community Based Organizations and foster an increase of students to the UWS.*
- *Applied and secured UWS support (\$91,500) through the UWS Online Learning Initiative. The grant provided funds to support 125 instructors (faculty and staff) via professional development Canvas modules, coordinated by the Teaching and Learning Hub (Nakatani Teaching and Learning Center, Learning Technology Services College Liaisons, Stout Online, and the Associate Provost for Curriculum Quality) and instructors that participated in the General Education Online Cohort during summer 2020 and winterm 2021.*
 - *Facilitate Shared Governance*
 - *Attend monthly meetings of the Faculty Senate, Senate of Academic Staff, University Staff Senate and the Faculty Senate Executive Committee. Attend the Stout Student Association meetings as requested.*
 - *Meet monthly with all governance leaders and chancellor to maintain open communications.*
 - *Include governance chairs (all four senates) on Provost's Council, the Academic Affairs Advisory Team (AAAT), and bimonthly meetings of the Department Chairs and Program Directors.*
 - *Collaborate closely with all the curriculum-related governance committees and the associate provost to foster curriculum quality.*
 - *Coordinate Faculty and Staff Development in partnership with the Orientation and Professional Development Committee. Sessions for the 2021-22 academic year include topics of advising, General Education revision efforts led by the General Education Response Team, Customized Instruction (CI) budget literacy, and program director and department chair training.*
 - *Address personnel issues in consultation with the academic colleges, the Dean of Students Office, and Human Resources.*
 - *Serve as the People Process Culture (PPC) Advisory Committee Chair. Currently working alongside the advisory committee, the outgoing PPC Chair, the donor and chancellor on re-envisioning PPC 2.0.*
 - *Transitioned the Cabot Executive in Residence to the Stout University Foundation to foster a broader campus outreach in partnership with the donor and Professional Education Services/Discovery Center. Continue to work with the donor, the SUF and the Discovery Center on the annual event.*
 - *Coordinate academic affairs documentation for Higher Learning Commission (HLC) requirements and discipline-specific accreditations.*
 - *Served as lead author for assurance argument criterion 3 (Teaching and Learning: Quality, Resources, and Support) and criterion 4 (Teaching and Learning: Evaluation and Improvement) for the institution's successful 2020 HLC Open Pathway four-year virtual assurance argument review.*
 - *Advise the Chancellor on Academic Matters*
 - *Served interim Chancellor Patrick Guilfoile until March 2020, and Chancellor Katherine Frank starting March 2020.*
 - *Serve as a member of the Chancellor's Cabinet*
 - *Represent the Academic Affairs Division on the Chancellor's Advisory Council (CAC)*
 - *Represent Academic Affairs on the University Policy Committee*
 - *Liaise with University of Wisconsin System (UWS) Administration, the Wisconsin Technical Colleges, and all UWS Institutions. This includes attending and representing UW-Stout at the UWS Provosts' and Wisconsin Board of Regents' meetings. For UWS meetings, I actively provide agenda topics on UW-Stout's behalf and provide constructive and collaborative feedback.*
 - *Administer Campus and UWS Board of Regents Policies*
 - *Represent UW-Stout as a member of the Global Partnership in Education Alliance (GPEA) and annual Polytechnic Summits*

- Served as the kick-off evening virtual keynote at the 2021 Polytechnic Summit hosted by TU Dublin
- Excerpt of Projects Underway:
 - Working with stakeholders to implement the 2021 recommendations from the Research Practices Ad-hoc Committee. This includes restructuring of the Office of Research and Sponsored Programs as a direct report to the provost, providing additional intentional supports for research infrastructure, and relocating the unit to a central location within the campus (University Library).
 - Working with stakeholders to implement changes to foster additional success of the Graduate School. This includes working closely with the interim director during the 2021-22 year via campus focus groups.
 - Working to increase institutional support structures for partner and student engagement, including recalibrating the Student Jobs Program via the Office of Career Services, creating the University Partnership Council, continuing refinements of our experiential learning processes, and expanding our work with K-20 partners.

Associate Provost- Academic Affairs

July 1, 2018- August 18, 2019

Interim Provost- Academic Affairs (1-month dual role)

July 12- August 12, 2018

Associate Provost- Academic and Student Affairs

January 2, 2014- June 30, 2018

- Coordinated academic affairs documentation per University of Wisconsin System and Higher Learning Commission (HLC) requirements. Served as lead author for assurance argument report criterion 3 and 4 and helped lead the institution's successful 2016 HLC Open Pathway comprehensive site visit.
- Reviewed and interpreted academic policies and procedures. Serve as the Provost's Office representative for the Access to Learning (ATL) and Student Course Fee (SCF) processes.
- Collaborated with college and department representatives in academic program and course development and review
- Assisted with articulation and transfer issues
- Assisted in the institution's assessment of general education
- Served as the ex-officio non-voting provost's representative on Faculty Senate committees related to curricular and programmatic quality:

Curriculum and Instruction Committee (CIC)

Review, develop, and recommend policy and guidelines regarding curriculum. Includes requests for new courses, course revisions, new programs, program revisions, major and sub-major academic programs, minors, concentrations, and specializations.

General Education Committee

Review, develop, and recommend policy and standards regarding general education. Includes requests regarding the inclusion of courses in the list of general education courses.

Graduate Education Committee

Review, develop, and recommend policy and standards regarding graduate education. Includes requests regarding the approval of graduate faculty members and requests regarding the approval of new or revised graduate courses and graduate degree programs.

Racial and Ethnic Studies (RES)/Global Perspectives (GLP) Curriculum Committee

Develop and recommend UW-Stout policy and standards regarding the RES and GLP requirement to the CIC; recommend acceptance or rejection of RES/GLP courses.

Planning and Review Committee

Annually review the UW-Stout academic plan. Review notices of intent to plan and relay recommendations to the Faculty Senate. Review the procedure, policies and collected

information in the program review process. Review all undergraduate and graduate degree programs on a schedule. Forward findings, stipulations, suggestions, and observations to the Faculty Senate.

- *Supervised the Directors of the Library, Career Services Office, Advisement Center (2017), Nakatani Teaching and Learning Center, the University Registrar (2017), and the University Curriculum Manager*
- *Organized and facilitated new Department Chair and Program Director orientations*
- *Organized and facilitated the participatory Laboratory and Classroom Modernization Process (2017-2021). This allocates approximately \$200,000-\$600,000 annually toward campus-wide learning environment improvements. Approximately \$1 million in requests are received each year.*
- *Represented the Academic Affairs division on the Capital Projects and University Space Allocation Committee. Work includes contributions to the campus master plan.*
- *Represented the Provost's Office at university and community events*
- *Assisted the provost with special projects and new initiatives. 2018-2019 work included chairing the taskforce for revising the Program Director Position Description, serving on the taskforce for the General Education Director Position, coordination with an external General Education Consultant, and co-planning the 2019 Polytechnic Summit.*

Construction Department Chair (2012-2013)

2011-2013

Interim Construction Department Chair (2011-2012)

- *Established first departmental strategic plan through a participatory faculty process*
- *Administered the department's student evaluation of instruction process and used the results for performance evaluation and improvement*
- *Secured staffing needs, including the Construction tutoring labs*
- *Worked closely with the Program Director on the development of articulation agreements, prospective student visits/tours, and meeting transfer student needs*
- *Led departmental performance evaluation processes, identifying mentoring and professional development opportunities for the faculty*
- *Managed budget/accounting practices during university-wide financial cuts*
- *Facilitated fundraising events and partnerships with alumni and industry advisory board for the \$1+ million Endowed Construction Chair campaign, coordinated via the Stout University Foundation*
- *Coordinated the design of the Construction Department Office with campus Physical Plant department. The project was built during the summer of 2012.*
- *Represented the department at university and community events*

**Science, Technology, and Engineering Preview Summer (STEPS) Program
Program Director (2013)**

2010-2013

Sponsor/Scholarship Coordinator (2010-13)

Since its inception in 1997, the STEPS for Girls Program served as a model within the United States. The program's objective was to inspire young women to prepare for and aspire to careers in engineering, technology, and science. The four-week residential program was for 160 girls entering seventh grade.

- *Coordinated approximately 50 staff members, including students, faculty and academic staff*
- *Managed \$125,000 in program revenue from individual and corporate donations, grants, and tuition, to maximize disadvantaged youth participation*
- *Nurtured relationships with donors, including alumni and industry representatives from Xcel Energy, 3M, and the Ann Marie Foundation*

- *Initiated new partnerships with the UW-Stout Alumni Office and Admissions Office to track UW-Stout students/alumni who are STEPS graduates*

Commitment to Inclusive Excellence

Language Skills

- Spanish/English Bilingual

Intercultural Development Professional Development

- **Embracing Everyday Diversity, UW-Stout campus virtual series** **2020-2021**
Facilitated by Justin Jones-Fasu, Four-part series: Agreement, Assessment, Alignment, and Advancement.
- **How to be an Anti-Racist** **Spring 2020**
Ibram X. Kendi, Director of The Antiracist Research and Policy Center at American University. Special Forum Presentation, UW-Eau Claire.
- **Power, Privilege and Leadership** **Spring 2020**
UW-Stout campus session facilitated by Dr. Eddie Moore, Jr. Founder/Program Director for the White Privilege Conference (WPC).
- **Inclusive Excellence in the Hiring Process & Beyond.** Beth Zemsky, facilitator. **Fall 2020**
- **SHIFT- Exploring the Needs of Minority Faculty and Staff** **Spring 2019**
January and May campus sessions facilitated by UW-Stout Intercultural Development Ambassadors
- **Inclusive Excellence Abroad** **Fall 2018**
Campus session facilitated by Dr. Aaron I. Bruce, Vice President and Chief Diversity Officer at ArtCenter College of Design, Pasadena, CA.
- **Facilitating Cultural Change Workshop Participant, St. Paul, MN** **Spring 2014**
Intensive three-day workshop to gain skills as a facilitator of the Intercultural Development Continuum (IDC) framework

Inclusive Excellence Service

- **Chancellor's Diversity Leadership Team, Member** **2014- 2016**
Help coordinate campus-wide sessions regarding the Intercultural Development Continuum (IDC) framework. The IDC is a practical and proactive approach to diversity that has the potential to impact teaching, programs, procedures, relationships, and the campus climate.
- **Minority Faculty and Staff Network (MFSN) Member, UW-Stout** **Fall 2005- 2016**
The MFSN was created to foster growth and opportunities for minority faculty and staff, to create an awareness of people from diverse backgrounds, and to enhance relationships to benefit the campus and community at-large.
 - *Served as MFSN Secretary/Treasurer, 2005-2007*
 - *Collaborated with members to create the MFSN Mentorship Program, 2007. The program goals: integrate MFSN faculty and staff members new to UW-Stout into the university community; address needs of MFSN faculty and staff members new to UW-Stout; and foster professional development of MFSN faculty and staff new to UW-Stout.*
- **Latinos Unidos (LU) Student Organization Advisor** **2005-2007**
LU promotes community awareness and understanding on campus and in the community of the Latin Cultures in the U.S. and abroad.
 - *Helped reestablish the UW-Stout Chapter of LU as an official student organization*
 - *Coordinated biweekly chapter meetings and semester events with the student members*

- **Introduction to Hispanic/Latino Culture in the Construction Industry Workforce** **Spring 2007**
 - *Led and facilitated a two-hour session to 50 undergraduate students in the Interior Design and Construction programs at UW-Stout*

Honors/Awards/Recognition

- Higher Learning Commission Leaflet [September 2020 Peer Reviewer Highlight](#)
- UW System Outstanding Woman of Color in Education Recipient, Fall 2019
- UW-Stout School of Education Outstanding Partnership Award- Special Education, 2014
- American Institute of Architects (AIA) Wisconsin 2014 Citation for Distinguished Service
- Yale Alumni Schools Committee Outstanding Member, Wisconsin nominee, 2010-11
- Associated Builders & Contractors, Inc. of WI, Projects of Distinction Juror, 2009-12
- UW System Outstanding Woman of Color in Education Recipient, Spring 2008
- UW-Stout Minority Faculty & Staff Network Outstanding Contributing Member Award, 2007-08
- Ranked third for Teacher of the Year (out of 115 instructors), College of Technology, Engineering and Management (CTEM) 2007-08, UW-Stout
- Top 10% Teacher of the Year (out of 108 instructors), CTEM, 2006-07, UW-Stout

University of Wisconsin-Stout Presentation Highlights

- *Has UW-Stout reached a Tipping Point?* July 2020 University of Wisconsin-Stout Stakeholder Virtual Visioning Session Co-Presenter.
- Keynote for the UW-Stout Women in STEM Panel and Meet and Greet, 2020
- UW-Stout Equity, Diversity and Inclusion Open Forum Panelist, 2020
- *Department Course Scheduling Practices*, Fall 2012 Professional Development Week.

- *Mother and Academic Mayday Panelist*, Spring 2011, Nakatani Teaching & Learning Center
- *BRILLA Panelist*, Spring 2011, Multicultural Student Services, UW-Stout
- *New Instructors Sharing Community*, Spring 2009, Nakatani Teaching and Learning Center
- *Service Learning*, Fall 2008, Nakatani Teaching and Learning Center
- *Perspectives as a Woman in Architecture-Engineering-Construction (AEC)*, Winter 2008, Women & Minorities in Management course, INMGT-415
- *Service Learning: Engaging Students Through Real Clients and Community Work*, Fall 2006, Professional Development Week

Grants (Awarded)

Rodriguez, G. (2021) University of Wisconsin System (UWS) Pathways Initiative (\$200,000). Funds to launch a “Career Coach” initiative to increase the number of Underrepresented Racial and Ethnic Minorities (UREM) and First-Generation students attending UWS.

Rodriguez, G. (2020) University of Wisconsin System Online Learning Initiative (\$91,500). Funds for faculty and instructional academic staff professional development.

Rodriguez, G. (2014). Professional Development Grant. \$1,400. University of Wisconsin-Stout. To present and attend the 2014 Building Information Modeling (BIM) Academic Symposium in Washington, D.C.

Rodriguez, G. (2013). Science, Technology, Engineering Preview Summer Camp (STEPS) for Girls 2013. \$3,000 AnnMarie Foundation.

Rodriguez, G. (2013). Science, Technology, Engineering Preview Summer Camp (STEPS) for Girls 2013. \$4,000 Xcel Energy Foundation Grant for Education, WI Jurisdiction.

Rodriguez, G. (2012). Science, Technology, Engineering Preview Summer Camp (STEPS) for Girls 2013. \$32,500 Otto Bremer Foundation.

Rodriguez, G. (2012). Science, Technology, Engineering Preview Summer Camp (STEPS) for Girls 2012. \$4,000 Xcel Energy Foundation Grant for Education, WI Jurisdiction.

Bowman, M. and Rodriguez, G. (2011). UW-Stout Curricular Incubation Grant, Revision of AEC-191 The Built Environment. \$900 Award.

Academic/Teaching Experience- University of Wisconsin-Stout

- | | |
|------------------------------|-------------------------------|
| ▪ Full Professor | Fall 2016- Present |
| ▪ Associate Professor | Fall 2010- Spring 2016 |
| ▪ Assistant Professor | Fall 2005- Spring 2010 |

Developed and facilitated class sessions, presentations, assignments, quizzes, and examinations for the following courses: Architectural Graphics, Orientation to the Construction Industry, The Built Environment (General Education), Architectural Design I, Architectural Technology, and Sustainable Management Capstone (Online). Assisted with course development and accreditation documentation for American Council for Construction Education (ACCE), the National Association of Schools of Art and Design (NASAD), the Council for Interior Design Accreditation (CIDA) and the ABET: Engineering Technology Accreditation Commission site visits.

Undergraduate Instructional Highlights: Spring (Sp), Summer (Su), Fall (Fa)

Sustainable Management Capstone (Online) Sp 2011, Su 2011, Fa 2011, Sp 2012, Su 2012

Collaborative UW-Extension Program (UW-Stout, UW-Parkside, UW-River Falls, UW-Superior), B.S. in Sustainable Management. Developed and taught the online capstone course as an application and study of sustainable management through the solution of an industry-based project. Implementation of a triple bottom line solution to industrial or community-based problems was emphasized. Via distance, secured and facilitated projects as required, with the following organizations at the students’ locale:

- American Family Insurance, WI
- Eurest Dining Services, WI
- Focus On Energy, WI
- Smart Business Forum, WI
- Travel Green Wisconsin Department, WI
- University of Wisconsin-Stout, WI
- Knowlton Development Corporation, Canada
- Western Oregon University, OR
- Green City, Germany
- City of Duluth, MN

Architectural Design I - Service Learning Projects

- **Eagle Bluff Environmental Learning Center, Lanesboro, MN** **Sp 2009, Sp 2012**

Traveled with Construction Honor Society students to take as-built measurements of the Director’s Residence and created as-built drawings in a new parametric drawing program, REVIT (Sp 2009). In 2012, worked with Architectural Design I students to study the concept of a Deep Energy Reduction Retrofit and submitted a proposal for a sustainably designed kitchen at the Director’s Residence. The student work was displayed and presented at the Spring 2012 STEM Expo hosted by the STEM College at UW-Stout.

- **River Heights Elementary School (RHES) Playground, Menomonie, WI** **Fa 2006**

Worked with Architectural Design I students, RHES staff, Parent Teacher Organization (PTO) and River Heights neighborhood community members to develop a strategic plan for a community-based playground redesign. In October 2007, a five-day building event, involving additional UW-Stout students and community volunteers, resulted in an accessible playground widely used today. The playground project received the “Quality of Place Enhancement” award from Synergy: Collaboration for Sustainable Growth. Synergy is a project of the West Central Wisconsin Regional Education Consortium.

- **Space Plan- Greater Chippewa Valley Boys & Girls Club, Eau Claire, WI** **Sp 2005**

Worked with Architectural Design I students and Greater Chippewa Valley Boys & Girls Club staff to develop a low-cost remodel floor plan to incorporate a pending donation of audiovisual equipment. Additional work included interior finishes redesign, Americans with Disabilities Act (ADA) accommodation review, and furniture layout.

Architectural Technology - Service Learning Projects

- **Campus Community Garden- UW-Stout, Menomonie, WI** **Fa 2013**

Worked with Architectural Technology students, campus Physical Plant department representatives, and the campus Sustainability Coordinator to study the feasibility of a campus community garden located along the perimeter of a campus parking lot. The students divided into 10 teams and provided low-cost proposals that considered access to alternative energy and traditional utility systems, as well as green space that accommodated ADA. The student work was displayed and presented at the Fall 2013 STEM Expo hosted by the STEM College at UW-Stout.

- **Space Plan- Bridge to Hope, Menomonie, WI** **Sp 2013**

Worked with Architectural Technology students and the client to provide low-cost options for a space plan remodel. Students had to interview staff from the Bridge to Hope and learn about the sensitivities in designing for a non-profit organization committed to ending Domestic Violence, Sexual Assault, and Human Trafficking.

- **Orphanage Construction Project, San José, Costa Rica - Study Abroad** **Sp 2006**

Traveled with four Construction Program students to San José, Costa Rica, over spring break. Hands-on building experience using recycled wood products and manual tools. Each student was paired to work with a local Spanish-speaking laborer, providing a culturally diverse experience.

Graduate Education Experience

M.F.A. in Design Program Advisory Committee Member

2016

Recommend curricular changes; advise and assist on curriculum matters, including program assessment and review, student needs projections, placement prediction, and job market outlook.

Graduate Thesis Committee Member

2012, 2016, 2020

Student: Nicolette Morgan, University of Wisconsin-Stout, M.F.A. in Design

Thesis: "From Vacant Shopping Malls to Thriving Senior Housing Communities" (2020)

Committee: Dr. Julie Peterson (Chair) and David Richter-O'Connell

Student: Ia Vang, University of Wisconsin-Stout, M.S. Applied Psychology

Thesis: "The Impact of Smartphones Usage on Perceptions of Work-Life Balance: The Influence of Segmentation Preference, Work-Group Norms, and the Moderating Role of Perceived Autonomous Control" (2016) Committee: Dr. Alicia Stachowski (Chair) and Dr. Sarah Wood

Student: Matthew Simoneau, University of Wisconsin-Stout, M.S. Career and Technical Education

Thesis: "A Viability Study of the Building Inspections Technology Program at North Hennepin Community College" EDUC-770 (2012). Committee: Dr. Urs Haltinner (Chair) and Dr. Sylvia Tiala

M.S. Construction Management Program Development

2013

Completed internal documentation and received campus approval for Fall 2015 launch of the online program via customized instruction funding (distance delivery); hired and coordinated a Graduate Assistant to work biweekly with faculty team on the development of curriculum and marketing materials; communicated closely with Program Industry Advisory Board on all aspects of program.

Service

- UW-Stout's Baldrige Executive Committee, 2018-present
- Communities of Excellence (CoE) Assessment Program Examiner, Excelsior Springs, as a member of the Wisconsin Center for Performance Excellence, August 2021
